# NGPL : Natural Gas Pipeline

## Tie-in Connectivity

This page displays a list of **Tie-in Connectivity Authorization** records, allowing users to view details, check status, and take further actions. The interface consists of the following elements:

- **SL.NO:** Serial number of the record.
- **Code:** Unique authorization code assigned to each record.
- **ENTITY NAME:** Name of the entity applying for tie-in connectivity.
- **Date of Incorporation:** The date on which the entity was incorporated.
- **Extension Length (km):** The length of the extension in kilometers.
- **Extension Diameter (inch):** The diameter of the extension in inches.
- **Date of Filing Form:** The date on which the authorization form was submitted.
- **Status:** The current status of the authorization request (e.g., **Requested, Approved, Reject, Resubmit**).
- **Remarks:** A button labeled **"Show Remarks"** to view additional comments or feedback related to the application.
- **Action:** An edit icon allowing users to modify or update a specific record.

| AUTHORIZATION FOR LAYING OF TIE-IN CONNECTIVITY LIST |                |                    |                       |                       |                           |                     |           |              |        | Add Tie-in Connectivity |

- In **Tie-in Connectivity** page under **General Details** user have to select Entity Name, Type of Firm.

**GENERAL DETAILS:**

Name of the entity:  Type of firm:  Date of incorporation:

Date of Commencement of business:  Address of the registered office:

**A. Application form for submitting an application for Tie-in Connectivity under Regulations.**

**GENERAL DETAILS:**

Name of the entity:

Date of Commencement of business:

- In **Tie-in Connectivity** page under Fee Details user have to Fill Amount ,DD No. / UTR No,Date and Issuing Bank Details.

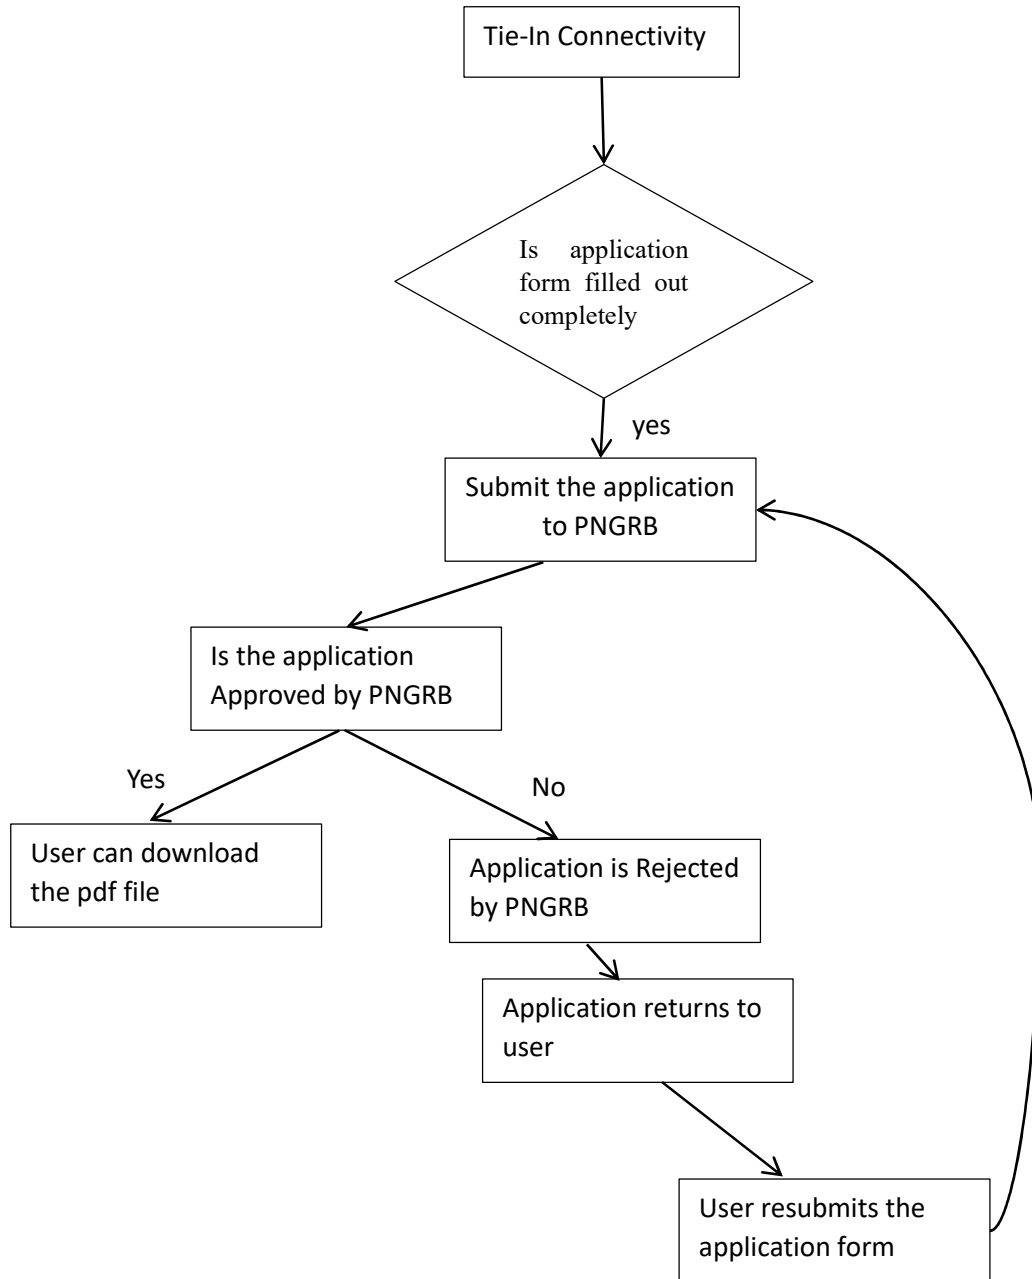

- In Tie-in Connectivity page under Basic Data user have to fill Point of origin, Termination Point, Indicative route of the proposed tie in connectivity and Specification such as Length in km , Diameter in Inches, Capacity in MMSCMD , Name of Nearest Common Carrier Pipeline, Distance from the nearest point of Common Carrier Pipeline, Co-ordinates, Details of likely gas sources / injection points facilities, Demand-Supply projections, Details of potential customers and Total gas volume for transportation

- In **Tie-in Connectivity** page under Others tab user have to select Date of filling form, Place, Name of authorized signatory, Designation, Contact Mobile, Contact E-mail Id and Address.

- In **Tie-in Connectivity** page under Annexure user have to upload pdf files for Proof of Application Fees, Detailed Feasibility Report, Potential demand of natural gas en-route the Tie-in Connectivity, Indicative route of the proposed Tie-in Connectivity indicating the likely gas sources / injection points and delivery point depicted on a physical map as well as a KML/KMZ file

## DFD For Tie-in Connectivity

## Laying of Spur-Line

This page displays a list of **Laying of Spur-Line Authorization** records, allowing users to view details, check status, and take further actions. The interface consists of the following elements:

- **SL.NO:** Serial number of the record.
- **Code:** Unique authorization code assigned to each record.
- **ENTITY NAME:** Name of the entity applying for Laying of Spur-Line.
- **Date of Incorporation:** The date on which the entity was incorporated.
- **Extension Length (km):** The length of the extension in kilometers.
- **Extension Diameter (inch):** The diameter of the extension in inches.
- **Date of Filing Form:** The date on which the authorization form was submitted.
- **Status:** The current status of the authorization request (e.g., **Requested, Approved, Reject, Resubmit**).
- **Remarks:** A button labeled **"Show Remarks"** to view additional comments or feedback related to the application.
- **Action:** An edit icon allowing users to modify or update a specific record.

| SL.NO | Code           | Entity             | Date of incorporation | Extension Length (km) | Extension Diameter (inch) | Date of filing form | Status      | Remarks      | Action |
|-------|----------------|--------------------|-----------------------|-----------------------|---------------------------|---------------------|-------------|--------------|--------|

| 3     | SPR/NGPL/00018 | Krishna Enterprize | 28-10-2024            | 50.000                | 40.000                    | 09-11-2024          | Rejected    | Show Remarks |        |
| 4     | SPR/NGPL/00017 | Krishna Enterprize | 26-10-2024            | 450.000               | 50.000                    | 29-10-2024          | Approved    | Show Remarks |        |
| 5     | SPR/NGPL/00016 | Ashutosh Pvt. Ltd. | 07-10-2024            | 40.000                | 30.000                    | 17-10-2024          | Approved    | Show Remarks |        |

- On the Laying of Spur-Line page under General Details, the user must select the Entity Name and Type of Firm.

**GENERAL DETAILS:**

Name of the entity:  Type of firm:  Date of incorporation:

Date of Commencement of business:  Address of the registered office:

- The "Name of Entity" dropdown will display only the entity names assigned to the specific user.

**GENERAL DETAILS:**

Name of the entity:    
Select One  
Krishna Enterprize

Date of Commencement of business:

- The "Type of Firm" dropdown will display all available firm types.

The screenshot shows a form with a dropdown menu for "Type of firm". The dropdown is open, displaying the following options: "Select FirmType", "Sole Proprietorship", "Partnership", "Corporation", "Cooperative", "Nonprofit Organization", "Joint Venture", and "Public Sector (Government) Entity". The "Public Sector (Government) Entity" option is currently selected and highlighted in blue. Other form fields like "Address of the registered office" and "DD No. / UTR No." are visible but not filled.

- In the Authorization Requirement section of the Spur-Line, if the proposed spur-line is not within the tariff zone of an authorized natural gas pipeline selected as "No", the user can enter Fee Details.

The screenshot shows the "AUTHORIZATION REQUIREMENT" section. The question is "Whether the proposed spur-line is within the tariff zone of authorized natural gas pipeline". The "No" radio button is selected. A note below says "\*Note: If No, then fees is applicable". Below this, the "FEE DETAILS" section is visible, containing fields for "Amount" (with a value of 0), "DD No. / UTR No.", "Date", and "Issuing Bank Details".

- In the Authorization Requirement section of the Spur-Line, if the proposed spur-line is within the tariff zone of an authorized natural gas pipeline and the user selects "Yes", the Fee Details section will automatically disappear, preventing manual entry.

The screenshot shows the "AUTHORIZATION REQUIREMENT" section. The question is "Whether the proposed spur-line is within the tariff zone of authorized natural gas pipeline". The "Yes" radio button is selected. A note below says "\*Note: If No, then fees is applicable". The "FEE DETAILS" section is not visible, indicating it has been hidden.

- In Laying of Spur-Line page under Fee Details user have to Fill Amount ,DD No. / UTR No,Date and Issuing Bank Details.

The screenshot shows the "FEE DETAILS" section. It contains four main input areas: "Amount" (with a value of 0), "DD No. / UTR No.", "Date", and "Issuing Bank Details".

- In Laying of Spur-Line page under Basic Data user have to fill Point of origin, Termination Point, Indicative route of the proposed Spur-Line and Specification such as Length in km , Diameter in Inches, Capacity in MMSCMD , Name of Nearest Common Carrier Pipeline from which spur line will emanate, Name of the section (Trunk-line or Spur line) from which spur line will emanate, Nearest point on surface of trunk line, Distance from the nearest point of trunk line and originating point of spur line, Details of potential customers, Details consumption of each customers (SCMD) and Name of Geographical Area in which customer falls.

| ◆ BASIC DATA:   |                                |                   |  |   |
|---|--------------------------------|-------------------|--|---|
| Point of origin   | <input type="text"/>           | Termination Point | <input type="text"/>   | Indicative route of the proposed spur line (PDF) <input type="button" value="Choose Files"/> No file chosen <input type="button" value="Upload"/> |
| <b>Specification of Spur-line -</b>                               |                                |                   |  |   |
| Length (km)   | <input type="text" value="0"/> | Diameter (inch)   | <input type="text" value="0"/>   | Capacity (MMSCMD) <input type="text" value="0"/>  |
| Name of Common Carrrier Pipeline from which spurline will emanate | <input type="text"/>           |                   | Name of the section (Trunkline or Spur line) from which spur line will emanate   | <input type="text"/>  |
| Nearest point on surface of trunk line                            | <input type="text"/>           |                   | Distance from the nearest point of trunk line and originating point of spur line | <input type="text" value="0"/>  |
| Details of potential customers                                    | <input type="text"/>           |                   |  |   |
| Details consumption of each customers (SCMD)                      | <input type="text"/>           |                   | Name of Geographical Area in which customer falls                                | <input type="text"/>  |

- In Laying of Spur-Line page under Others tab user have to select Date of filling form, Place, Name of authorized signatory, Designation, Contact Mobile, Contact E-mail Id and Address.

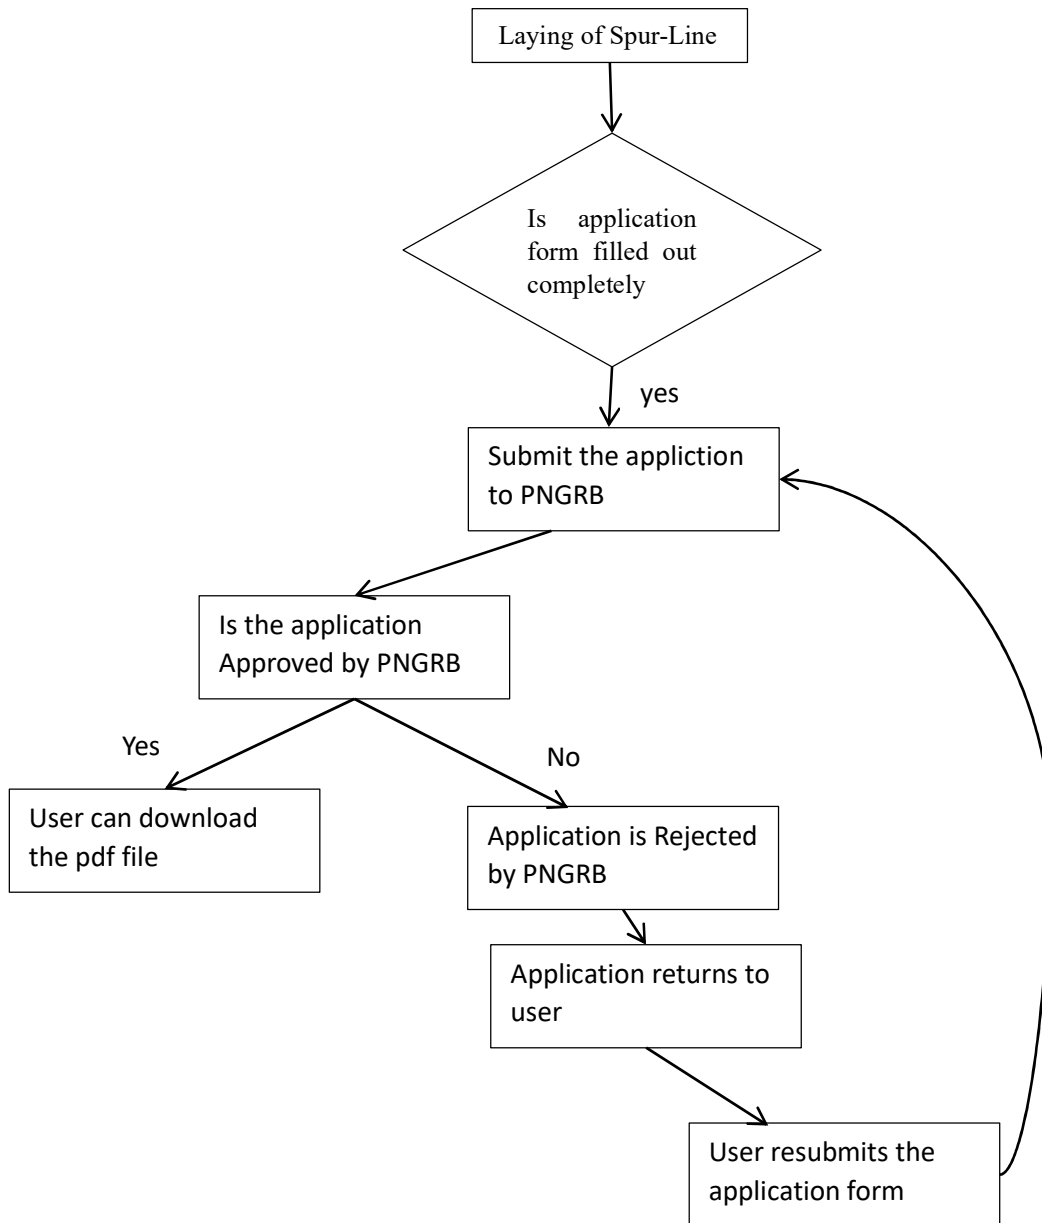

| ◆ OTHERS:            |                      |                |                      |   |

## DFD For Laying of Spur-Line

## EXTENSION

This page displays a list of **Extension Authorization** records, allowing users to view details, check status, and take further actions. The interface consists of the following elements:

- **SL.NO:** Serial number of the record.
- **Code:** Unique authorization code assigned to each record.
- **ENTITY NAME:** Name of the entity applying for extension.
- **Date of Incorporation:** The date on which the entity was incorporated.
- **Extension Length (km):** The length of the extension in kilometers.
- **Extension Diameter (inch):** The diameter of the extension in inches.
- **Date of Filing Form:** The date on which the authorization form was submitted.
- **Status:** The current status of the authorization request (e.g., **Requested, Approved, Reject, Resubmit**).
- **Remarks:** A button labeled **"Show Remarks"** to view additional comments or feedback related to the application.
- **Action:** An edit icon allowing users to modify or update a specific record.

| AUTHORIZATION FOR EXTENSION OF NATURAL GAS PIPELINE LIST |                |                    |                       |                       |                           |                     |             |              |        |

- On the Extension page under General Details, the user must select the Entity Name and Type of Firm.

**GENERAL DETAILS:**

Name of the entity:  Type of firm:  Date of incorporation:

Date of Commencement of business:  Address of the registered office:

- The "Name of Entity" dropdown will display only the entity names assigned to the specific user.

**GENERAL DETAILS:**

Name of the entity:

Date of Commencement of business:

**Entity Name Dropdown:**

- Select One
- Krishna Enterprize

- The "Type of Firm" dropdown will display all available firm types.

Type of firm:

Address of the registered office:

DD No. / UTR No.:

**Type of Firm Dropdown:**

- Select FirmType
- Sole Proprietorship
- Partnership
- Corporation
- Cooperative
- Nonprofit Organization
- Joint Venture
- Public Sector (Government) Entity

- In the Authorization Requirement section of the Extension, if the proposed extension is within ten percent of the authorized natural gas pipeline’s length (up to a maximum of 50 km) and 'No' is selected, the user will be unable to enter Basic Data. The field will be automatically disabled, preventing the user from applying under this regulation.

**◆ AUTHORIZATION REQUIREMENT:**

Whether the proposed extension is within ten percent length of the authorized natural gas pipeline (up to a maximum of 50 km)  Yes  No  
\*Note: If No, Entity can't apply under this Regulation

Entity cannot apply under this Regulation as per the selected option.

**◆ BASIC DATA:**

Name of Common Carrier Pipeline

Point of origin  Termination Point  Indicative route of the proposed extension along with all facilities (PDF)  No file chosen

**Specification of Extension -**

Length (km)  Diameter (inch)  Capacity (MMSCMD)

Demand - Supply situation  Details of customers to be served

**◆ AUTHORIZATION REQUIREMENT:**

Whether the proposed extension is within ten percent length of the authorized natural gas pipeline (up to a maximum of 50 km)  Yes  No  
\*Note: If No, Entity can't apply under this Regulation

- In the Authorization Requirement section of the Extension, if the proposed extension is within ten percent of the authorized natural gas pipeline’s length (up to a maximum of 50 km) and 'Yes' is selected, the user cannot enter Basic Data. However, the field will automatically be enabled, allowing the user to apply under this regulation.

**◆ AUTHORIZATION REQUIREMENT:**

Whether the proposed extension is within ten percent length of the authorized natural gas pipeline (up to a maximum of 50 km)  Yes  No  
\*Note: If No, Entity can't apply under this Regulation

**◆ BASIC DATA:**

Name of Common Carrier Pipeline

Point of origin  Termination Point  Indicative route of the proposed extension along with all facilities (PDF)  No file chosen

**Specification of Extension -**

Length (km)  Diameter (inch)  Capacity (MMSCMD)

Demand - Supply situation  Details of customers to be served

- In Extension page under Basic Data user have to fill Name of Common Carrier Pipeline, Point of origin, Termination Point, Indicative route of the proposed extension along with all facilities (PDF) and Specification such as Length in km , Diameter in Inches, Capacity in MMSCMD, Demand - Supply situation and Details of customers to be served.

**◆ BASIC DATA:**

Name of Common Carrier Pipeline

Point of origin  Termination Point  Indicative route of the proposed extension along with all facilities (PDF)  No file chosen

**Specification of Extension -**

Length (km)  Diameter (inch)  Capacity (MMSCMD)

Demand - Supply situation  Details of customers to be served

- In Extension page under Others tab user have to select Date of filling form, Place, Name of authorized signatory, Designation, Contact Mobile, Contact E-mail Id and Address.

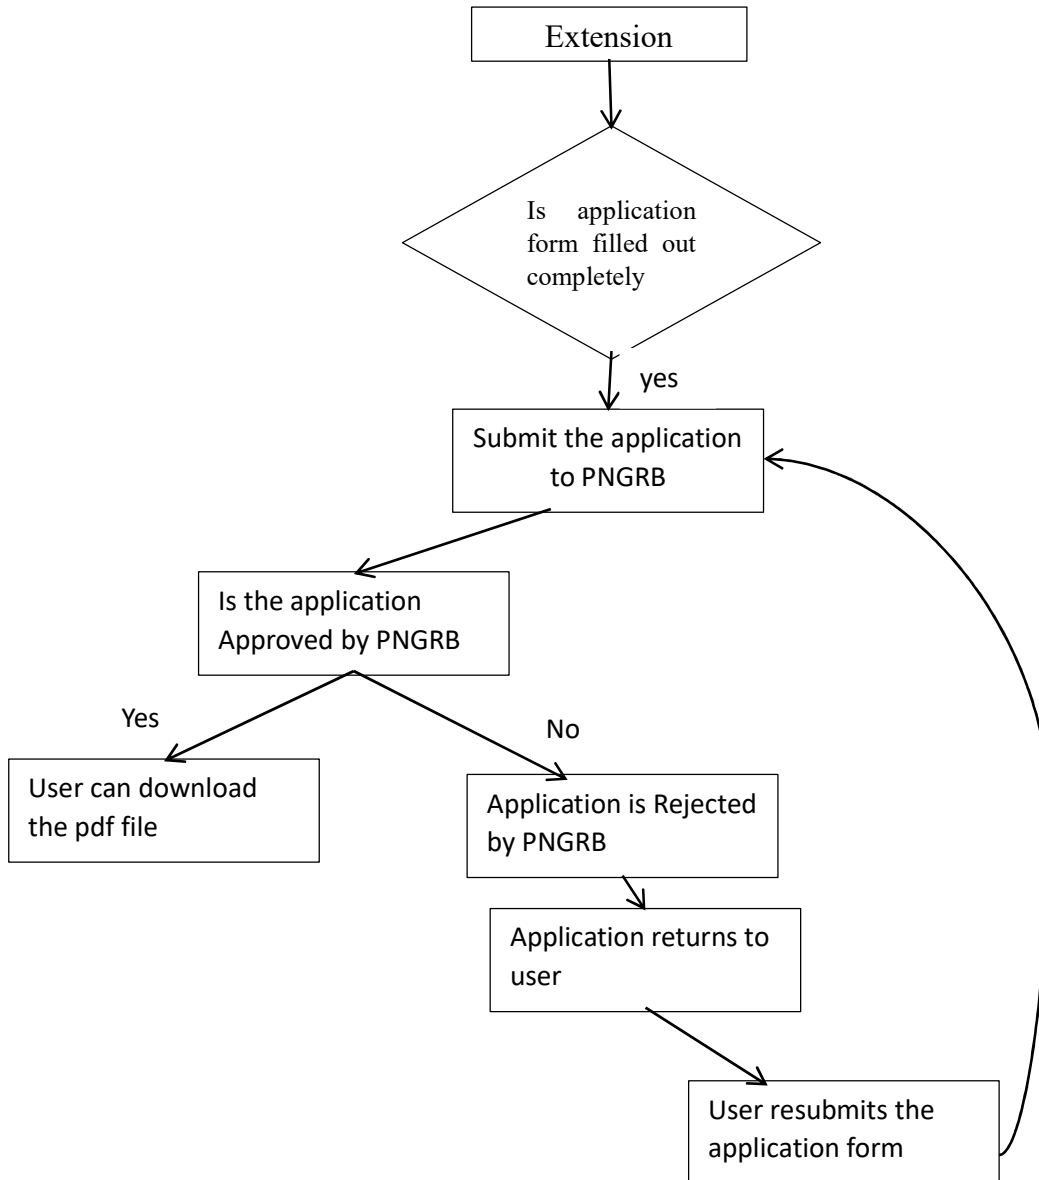

| OTHERS:              |                      |                |                      |                              |                      |

- On the Extension page under Annexure, users must upload PDF files for the following documents:
  - Proof of Application Fees
  - Detailed Feasibility Report
  - Comprehensive details and justification for the proposal, including potential demand for natural gas along the route
  - Details of customers to be served
  - Indicative route of the proposed extension, including all facilities, presented on both a physical map (PDF) and in KML/KMZ file format.

## DFD for Extension

## Expansion

This page displays a list of **Expansion Authorization** records, allowing users to view details, check status, and take further actions. The interface consists of the following elements:

- **SL.NO:** Serial number of the record.
- **Code:** Unique authorization code assigned to each record.
- **ENTITY NAME:** Name of the entity applying for Expansion .
- **Date of Incorporation:** The date on which the entity was incorporated.
- **Extension Length (km):** The length of the extension in kilometers.
- **Extension Diameter (inch):** The diameter of the extension in inches.
- **Date of Filing Form:** The date on which the authorization form was submitted.
- **Status:** The current status of the authorization request (e.g., **Requested, Approved, Reject, Resubmit**).
- **Remarks:** A button labeled **"Show Remarks"** to view additional comments or feedback related to the application.
- **Action:** An edit icon allowing users to modify or update a specific record.

- On the Expansion page under General Details, the user must select the Entity Name and Type of Firm.

**GENERAL DETAILS:**

Name of the entity:  Type of firm:  Date of incorporation:

Date of Commencement of business:  Address of the registered office:

- The "Name of Entity" dropdown will display only the entity names assigned to the specific user.

**GENERAL DETAILS:**

Name of the entity:

Date of Commencement of business:

**Entity Name Dropdown:**

- Select One
- Krishna Enterprize

- The "Type of Firm" dropdown will display all available firm types.

- In the Authorization Requirement section of Expansion user have to fill Name of Common Carrier Pipeline, Length of trunk line of Common Carrier Pipeline . Applicable fee will automatically filled on the basis of length filled.

- In the Authorization Requirement section of Expansion if Length of trunk line of Common Carrier Pipeline is < 500 (less than 500) Kilometers then applicable fee is 30,00,000.

- In the Authorization Requirement section of Expansion if Length of trunk line of Common Carrier Pipeline is > 500 (more than 500) Kilometers then applicable fee is 40,00,000.

- In Expansion page under Fee Details user have to Fill Amount ,DD No. / UTR No,Date and Issuing Bank Details.

- In Expansion page under Basic Data user have to fill Name of Common Carrier Pipeline, Indicative route of the proposed natural gas pipeline indicating the likely natural gas injection points and likely delivery points depicted on a physical map, Length, Capacity and Specification such as Proposed Sections (km), Point of origin, Termination Point, Diameter in Inches, Proposed Capacity Expansion (MMSCMD), Natural gas availability position, Demand - Supply situation (PDF), Details of customers to be served, Assessment of total gas volume for transportation and Whether the Compression install or required

|   |  |  |                                |
|---|--|--|--------------------------------|

## DFD For Expansion

## Expression Of Interest

This page displays a list of Expressions of Interest (EOI) for laying, building, operating, or expanding Natural Gas Pipeline (NGPL) infrastructure. It allows users to track and manage their EOIs efficiently.

- **SL.NO:** Serial number of the record.
- **Code:** Unique EOI reference number.
- **Entity:** Name of the entity submitting the EOI.
- **Pipeline Name:** Type of pipeline (e.g., Corporation, Cooperative).
- **Incorporation Date:** The date on which the entity was incorporated.
- **Commencement Date:** The proposed start date of the project.
- **Fee Amount:** The amount paid for submitting the EOI.
- **Fee Date:** The date when the EOI fee was paid.
- **Status:** The current status of the authorization request (e.g., **Requested, Approved, Reject, Resubmit**).
- **Remarks:** A button labeled **"Show Remarks"** to view additional comments or feedback related to the EOI.

## DFD For Expression Of Interest

## Access Code Schedule-I

This page displays a list of Access Code Schedule-I for laying, building, operating, or expanding Natural Gas Pipeline (NGPL) infrastructure:

- **SL.NO:** Serial number of the record.
- **Code:** Unique Access Code Schedule-I reference number.
- **Entity:** Name of the entity submitting the Access Code Schedule-I.
- **Pipeline Name:** Type of pipeline (e.g., Corporation, Cooperative).
- **Incorporation Date:** The date on which the entity was incorporated.
- **Commencement Date:** The proposed start date of the project.
- **Status:** The current status of the Access Code Schedule-I (e.g., **Resubmitted, Approved, Requested, Reject**).
- **Remarks:** A button labeled **"Show Remarks"** to view additional comments or feedback related to the Access Code Schedule-I.
- **Action:** An edit icon enabling users to modify or update the Access Code Schedule-I submission.

| COMPLIANCE WITH PNGRB NGPL ACCESS CODE REGULATIONS LIST |                |                    |                       |                   |              |             |              |        |  |

- On the Access Code Schedule-I page under General Details, the user must select the Entity Name and Type of Firm.

**GENERAL DETAILS:**

|                                  |            |                                  |                 |                       |  |
|----------------------------------|------------|----------------------------------|-----------------|-----------------------|--|
| Name of the entity               | Select One | Type of firm                     | Select FirmType | Date of incorporation |  |
| Date of Commencement of business |            | Address of the registered office |                 |                       |  |

- The "Name of Entity" dropdown will display only the entity names assigned to the specific user.

**GENERAL DETAILS:**

|                                  |   |
|----------------------------------|---|
| Name of the entity               | Select One  |
| Date of Commencement of business | <div style="border: 1px solid gray; padding: 2px;">             Select One<br/>             Krishna Enterprize           </div> |

- The "Type of Firm" dropdown will display all available firm types.

|                                  |  |
|----------------------------------|--|
| Type of firm                     | Select FirmType  |
| Address of the registered office | <div style="border: 1px solid gray; padding: 2px;">             Select FirmType<br/>             Sole Proprietorship<br/>             Partnership<br/>             Corporation<br/>             Cooperative<br/>             Nonprofit Organization<br/>             Joint Venture<br/>             Public Sector (Government) Entity           </div> |
| DD No. / UTR No.                 |  |

- In the Authorization Details section of Access Code Schedule-I user have to Fill Details of Authorization, Authorized Under Regulation and Date of Authorization.

- On the Access Code Schedule-I page under **Basic Data**, users must provide section-wise details of the pipeline capacity for each section separately. The required details include:
  - **Number of Sections**
  - **Section Name** (including start and end points)
  - **Capacity Parameters:**
    - Volume terms
    - Energy terms
    - Number of AHAs
    - Number of entry and exit points along the pipeline route

Additionally, users must furnish the following **Technical Parameters:**

- **Inlet Pressure** at the entry point
- **Calorific Value Band** at the entry point
- **Temperature**
- **Other Elements** as per Schedule - II
- **Status of Extra Capacity** available in the pipeline system on a common carrier basis
- **Details of Common Carrier Capacity** being utilized by the transporter for its own use or on a contract carrier basis
- **Pending Demand Details** for common carrier usage, including the duration of such dependency
- **Preference for Entry and Exit Points**
- **Details of New or Abandoned Entry/Exit Points** based on techno-economic considerations

Technical Parameters:-

|   |                      |   |                      |
|---|----------------------|---|----------------------|
| (a) Inlet pressure at entry point:  | <input type="text"/> | (b) Calorific value band at entry point:  | <input type="text"/> |
| (c) Temperature:  | <input type="text"/> | (d) Other elements as per schedule - II:  | <input type="text"/> |
| Status of extra capacity available in the pipeline system on common carrier basis:                                      | <input type="text"/> | Details of common carrier capacity being used by transporter itself or on contract carrier basis: | <input type="text"/> |
| Any demand pending with the transporter for common carrier usage of the pipeline alongwith duration of such dependency: | <input type="text"/> | Preference on entry and exit points:  | <input type="text"/> |
| Details of any New or Abandon existing entry or exit point for techno-economic basis, if any                            | <input type="text"/> |   |                      |

- As shown in the image above in-front of Number of entry and exit points along the pipeline route it shows a button which populates the below where user has to fill the location and capacity of entry and exit type of points.

**Add Entry and Exit Points**

| S.No | Entry/Exit | Location | Capacity | Action   |
|------|------------|----------|----------|--|
|      |            |          |          | <input style="background-color: #28a745; color: white; border: none; padding: 5px 10px; border-radius: 3px;" type="button" value="+"/> |

**Add Entry and Exit Points**

| S.No | Entry/Exit                          | Location                                    | Capacity                                    | Action  |
|------|-------------------------------------|---|---|---|
| 1    | <input type="text" value="Select"/> | <input type="text" value="Enter Location"/> | <input type="text" value="Enter Capacity"/> | MMSCMD <input style="background-color: #dc3545; color: white; border: none; padding: 5px 10px; border-radius: 3px;" type="button" value="X"/> |

- In Access Code Schedule-I page under Others tab user have to select Date of filling form, Place, Name of authorized signatory, Designation, Contact Mobile, Contact E-mail Id and Address.

**OTHERS:**

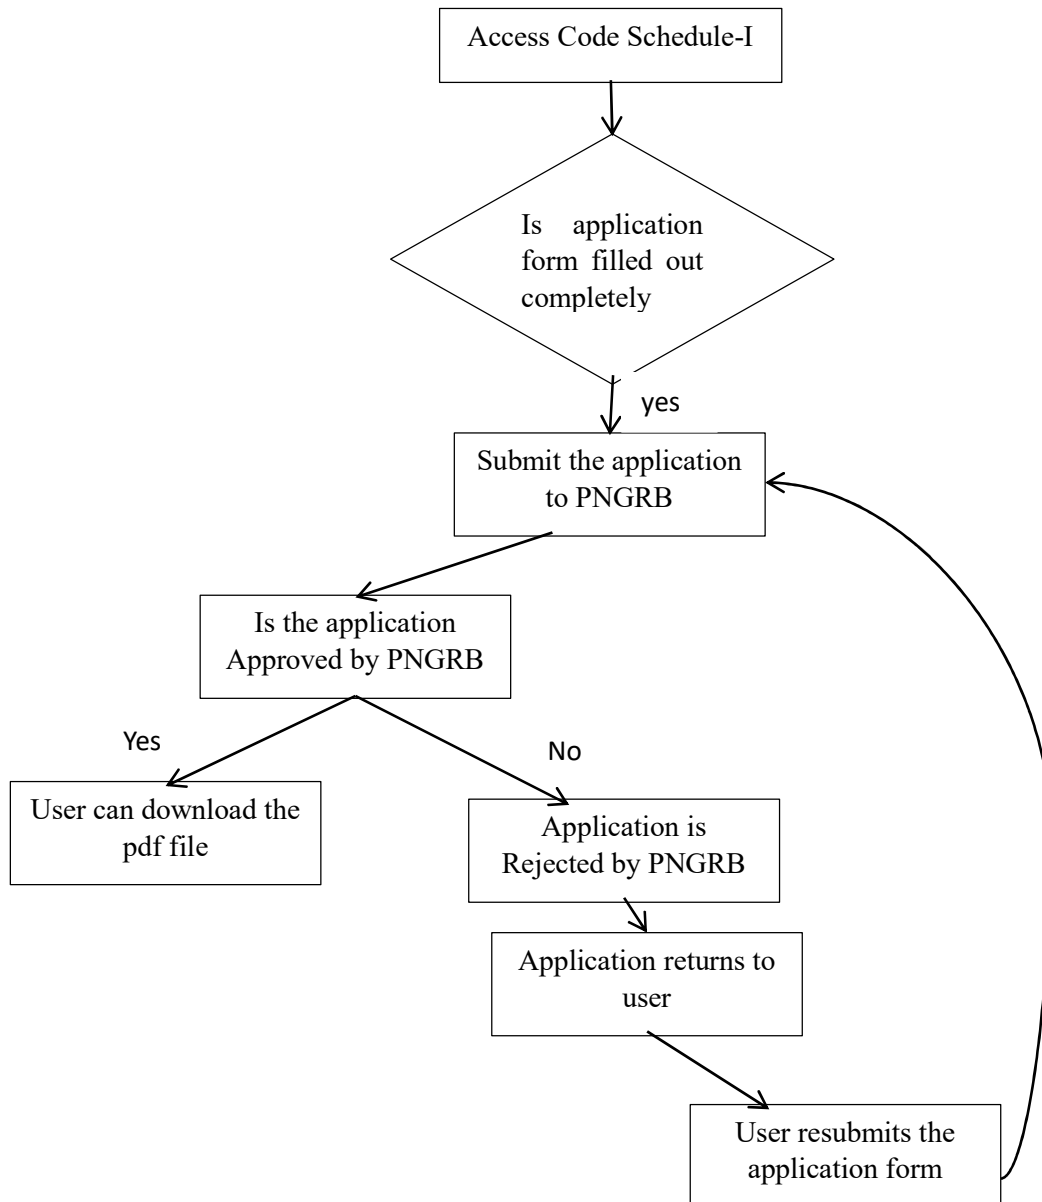

|                      |                      |                |                      |                              |                      |
|----------------------|----------------------|----------------|----------------------|------------------------------|----------------------|
| Date of filling form | <input type="text"/> | Place          | <input type="text"/> | Name of authorised signatory | <input type="text"/> |
| Designation          | <input type="text"/> | Contact Mobile | <input type="text"/> | Contact E-mail Id            | <input type="text"/> |
| Address              | <input type="text"/> |                |                      |                              |                      |

- In Access Code Schedule-I page under Annexure user have to upload PDF files for Any additional information

**ANNEXURES :**

Any additional information (PDF)

## DFD For Access Code Schedule-I

## Access Code Schedule-III

This page displays a list of **Access Code Schedule-III** records for the laying, building, operation, or expansion of **Natural Gas Pipeline (NGPL) infrastructure**. The table includes the following details:

- **SL. NO:** Serial number of the record.
- **Code:** Unique reference number for the Access Code Schedule-III.
- **Pipeline Name:** Type of pipeline (e.g., Corporation, Cooperative).
- **Financial Year:** The financial year associated with the record.
- **Quarter:** The relevant quarter within the financial year.
- **Incident Amount:** The reported incident amount.
- **Outstanding Amount:** The remaining unpaid amount.
- **Received Amount:** The amount received.
- **Status:** The current status of the Access Code Schedule-III submission (e.g., Resubmitted, Approved, Requested, Rejected).
- **Remarks:** A button labeled **"Show Remarks"** to view additional comments or feedback related to the submission.
- **Action:** An edit icon allowing users to modify or update the Access Code Schedule-III submission.

| SL_NO | Code                | Pipeline Name           | Financial Year | Quarter             | Invoiced Amount | Outstanding Amount | Received Amount | Status      | Remarks      | Action |
|-------|---------------------|-------------------------|----------------|---------------------|-----------------|--------------------|-----------------|-------------|--------------|--------|
| 1     | ACC/NGPL/SCH3/00032 | Mumbai Regional Network | 2024-2025      | Q1 (April-May-June) | 8.00            | 7.00               | 7.00            | Resubmitted | Show Remarks |        |
| 2     | ACC/NGPL/SCH3/00031 | Cauvery Basin Network   | 2024-2025      | Q1 (April-May-June) | 5.00            | 4.00               | 4.00            | Resubmitted | Show Remarks |        |

- On the Access Code Schedule-III page under General Details, the user must select the Entity Name and Type of Firm.

**GENERAL DETAILS:**

Name of the entity:  Type of firm:  Date of incorporation:

Date of Commencement of business:  Address of the registered office:

- The "Name of Entity" dropdown will display only the entity names assigned to the specific user.

**GENERAL DETAILS:**

Name of the entity:

Date of Commencement of business:

*(Dropdown menu for Name of the entity is open, showing "Krishna Enterprize")*

- The "Type of Firm" dropdown will display all available firm types.

- On the Access Code Schedule-III page under Imbalance and Overrun Charges, user has to fill details which are mandatory such as Name of Natural Gas Pipeline, Financial Year, period selection such as yearly or quarterly.

- If the user chooses to provide information about the Shipper Period Type as Yearly, they must also specify details for quarter:

- Q1: April – May – June
- Q2: July – August – September
- Q3: October – November – December
- Q4: January – February – March

Additionally, the following details must be provided:

- Selected Quarter within the Year
- Name of the Shipper
- Invoiced Amount
- Amount Outstanding
- Amount Received

**IMBALANCE AND OVERRUN CHARGES**

Name of Natural Gas Pipeline: Assam Regional Network v Financial Year: 2024-2025 v Period Selection: Yearly v

| Quarter  | Name of Shipper       | Invoiced Amount | Amount Outstanding | Amount Received | Action |

- In Minimum Eligibility Criteria page user have to fill Technical Capability Details and Provide pipeline details:

1. Pipeline Name
2. Length in km
3. Final Acceptance of Authorization by PNGRB

| <p>4 Technical capacity of laying and building natural gas pipeline. Please indicate which criteria out of regulation 5(6)(b)(i) to (iv) the bidder is claiming qualification under. (Please attach documentary evidence in support of the above and also attach credible plan to independently undertake and execute the natural gas pipeline on a standalone basis, if applicable)</p> | <input type="text"/> |   |   |   |   |
|--|----------------------|---|---|---|---|
|  | S.NO.                | Natural Gas Pipeline                                | Length in km                                    | Final Acceptance of Authorization by PNGRB          | Action  |
|  | 1                    | <input type="text" value="Enter pipeline details"/> | <input type="text" value="Enter length in km"/> | <input type="text" value="Enter final acceptance"/> | <input type="button" value="+"/><br><input type="button" value="Delete"/> |

- Provide credible plans for Operation & Maintenance (O&M) of Pipeline development. Enter details:

1. Pipeline Name
2. Date of Commissioning
3. Final Acceptance of Authorization by PNGRB

| <p>5 Technical capacity of operating and maintaining natural gas pipeline. Please indicate which criteria out of regulation 5(6)(c)(i) to (iv) the bidder is claiming qualification under. (Please attach documentary evidence in support of the above and also attach credible plan to develop an inhouse O &amp; M team for natural gas pipeline , if applicable)</p> | <input type="text"/> |   |  |   |   |
|---|----------------------|---|--|---|---|
|   | S.NO.                | Natural Gas Pipeline                                | Date of Commissioning                                    | Final Acceptance of Authorization by PNGRB          | Action  |
|   | 1                    | <input type="text" value="Enter pipeline details"/> | <input type="text" value="Enter Date of Commissioning"/> | <input type="text" value="Enter final acceptance"/> | <input type="button" value="+"/><br><input type="button" value="Delete"/> |

- Confirm agreement to abide by technical standards and safety regulations. Specify whether the bidder is registered under the Companies Act, 1956 or plans to register if authorized.

Confirm agreement to abide by the relevant regulations for technical standards and specifications, including safety standards

- Upload financial strength documents as per regulations (e.g., net worth statements). Provide evidence of financial backing, if required.

5.1 Adequate financial strength to execute the proposed natural gas pipeline project, operate and maintain the same and meeting the financial criterion in terms of having a minimum combined net worth as specified under Regulation 5 (6) (e).  
 (Separate statement of net worth of the bidding entity and its promoters shall be signed by the concerned Directors(s) of the bidding entity/promoters and duly certified by a Chartered Accountant)  
 5.2 Combined net worth (equity share capital plus free reserves, but excluding revaluation reserves) to be adequately represented by cash funds, which shall be available as bridge finance and as promoter's equity contribution in the project.  
 5.3 These statements shall be based on a period not more than a financial year old from the date of submission of the bid, based on the latest financial position of the bidder and its promoters. The promoter's undertaking, in the form of letter of comfort, stating that promoter's financial contribution in the project shall be converted in to equity share capital within three months of the date of grant of authorization must accompany the application.  
 (Letter of Comfort from promoter & their statement of net worth is required only if the bidding entity intends to include the promoter's net worth in the consideration)

Choose Files No file chosen

- Confirm whether the entity is registered under the Companies Act, 1956 or plans to register.

Whether the bidder is already registered under the Companies Act, 1956 or proposes to do so in the event of grant of authorization.

- Attach necessary documents detailing how gas transportation will be financed.

Indicative plan for sourcing the gas for transportation in the proposed natural gas pipeline (Please attach full details).

Choose Files No file chosen

- In Minimum Eligibility Criteria page user have to fill Details of Bid Bond Submission:

1. Amount
2. Bank Guarantee Number
3. Name of the Bank

|  |          |                                |                     |                      |                    |                      |
|--|----------|--------------------------------|---------------------|----------------------|--------------------|----------------------|
| Details of Bid Bond submitted (Amount and DD / Pay Order No / Bank Guarantee). | AMOUNT : | <input type="text" value="0"/> | BANK GUARANTEE NO : | <input type="text"/> | NAME OF THE BANK : | <input type="text"/> |
|--|----------|--------------------------------|---------------------|----------------------|--------------------|----------------------|

- Confirm that no penalty has been imposed on the entity under Section 28 or Chapter IX-C of the PNGRB Act.

Confirm that no penalty has been imposed under section 28 or no prima-facie case punishable under Chapter IX of the Act has been made out during the period of preceding one year from the last date for submission.

- Confirm adherence to PNGRB Act, 2006 and other applicable regulations.

Confirm to abide by the provisions of PNGRB Act, 2006 and any other Regulations notified by the Board from time to time, as may be applicable

# PPPL : Petroleum and Petroleum Products Pipelines

## Tie-in Connectivity

This page displays a list of **Tie-in Connectivity Authorization** records, allowing users to view details, check status, and take further actions. The interface consists of the following elements:

- **SL.NO:** Serial number of the record.
- **Code:** Unique authorization code assigned to each record.
- **ENTITY NAME:** Name of the entity applying for tie-in connectivity.
- **Pipeline Name:** Type of pipeline (e.g., Corporation, Cooperative).
- **Date of Incorporation:** The date on which the entity was incorporated.
- **Commencement Date:** The proposed start date of the project.
- **Fee Amount:** The amount paid for submitting the **Tie-in Connectivity**.
- **Fee Date:** The date when the **Tie-in Connectivity** fee was paid.
- **Status:** The current status of the authorization request (e.g., **Requested, Approved, Reject, Resubmit**).
- **Remarks:** A button labeled **"Show Remarks"** to view additional comments or feedback related to the application.
- **Action:** An edit icon allowing users to modify or update a specific record.

| SL.NO | Code           | Entity             | Pipeline Name | Incorporation Date | Commencement Date | Fee Amount | Fee Date   | Status      | Remarks      | Action |
|-------|----------------|--------------------|---------------|--------------------|-------------------|------------|------------|-------------|--------------|--------|
| 1     | TIC/PPPL/00015 | Krishna Enterprize | Corporation   | 25-11-2024         | 19-11-2024        | 0.00       |            | Resubmitted | Show Remarks |        |
| 2     | TIC/PPPL/00014 | Krishna Enterprize | Corporation   | 04-11-2024         | 29-10-2024        | 5.00       | 04-11-2024 | Requested   | Show Remarks |        |
| 3     | TIC/PPPL/00013 | Krishna Enterprize | Corporation   | 28-10-2024         | 29-10-2024        | 546.00     | 04-11-2024 | Requested   | Show Remarks |        |
| 4     | TIC/PPPL/00012 | Krishna Enterprize | Cooperative   | 28-10-2024         | 29-10-2024        | 887.00     | 29-10-2024 | Approved    | Show Remarks |        |
| 5     | TIC/PPPL/00010 | Krishna Enterprize | Cooperative   | 03-10-2024         | 03-10-2024        | 54.00      | 04-10-2024 | Approved    | Show Remarks |        |

- On the Tie-in Connectivity page under General Details, the user must select the Entity Name and Type of Firm.

**GENERAL DETAILS:**

|                                  |                      |                                  |                      |                       |                      |
|----------------------------------|----------------------|----------------------------------|----------------------|-----------------------|----------------------|
| Name of the entity               | Select One           | Type of firm                     | Select FirmType      | Date of incorporation | <input type="text"/> |
| Date of Commencement of business | <input type="text"/> | Address of the registered office | <input type="text"/> |                       |                      |

- The "Name of Entity" dropdown will display only the entity names assigned to the specific user.

**GENERAL DETAILS:**

Name of the entity: Select One (Krishna Enterprize)

Date of Commencement of business: [Text Field]

- The "Type of Firm" dropdown will display all available firm types.

Type of firm: Select FirmType

- Select FirmType
- Sole Proprietorship
- Partnership
- Corporation
- Cooperative
- Nonprofit Organization
- Joint Venture
- Public Sector (Government) Entity

Address of the registered office: [Text Field]

DD No. / UTR No.: [Text Field]

- In Tie-in Connectivity page under Basic Data user have to fill Point of origin, Termination Point, Indicative route of the proposed tie in connectivity and Specification such as Length in km , Diameter in Inches, Capacity in MMSCMD , Name of Nearest Common Carrier Pipeline, Distance from the nearest point of Common Carrier Pipeline, Co-ordinates, Details of likely product sources / injection points facilities, Demand-Supply projections, Details of potential customers and Total volume for transportation.

**BASIC DATA:**

Point of origin: [Text Field] Termination Point: [Text Field] Indicative route of the proposed Tie-in Connectivity (PDF): Choose Files No file chosen [Upload Icon]

**Specification of Tie-in Connectivity -**

Length (km): [Text Field] Diameter (Inch): [Text Field] Capacity (MMSCMD): [Text Field]

Name of Nearest Common Carrier Pipeline, if applicable: [Text Field] Distance from the nearest point of Common Carrier Pipeline: [Text Field]

Co-ordinates: [Text Field] Details of likely product sources / injection points facilities: [Text Area]

Demand-Supply projections: [Text Field] Details of potential customers: [Text Area] Total volume for transportation: [Text Field]

- In Tie-in Connectivity page under Others tab user have to select Date of filling form, Place, Name of authorized signatory, Designation, Contact Mobile, Contact E-mail Id and Address.

**OTHERS:**

Date of filling form: [Text Field] Place: [Text Field] Name of authorised signatory: [Text Field]

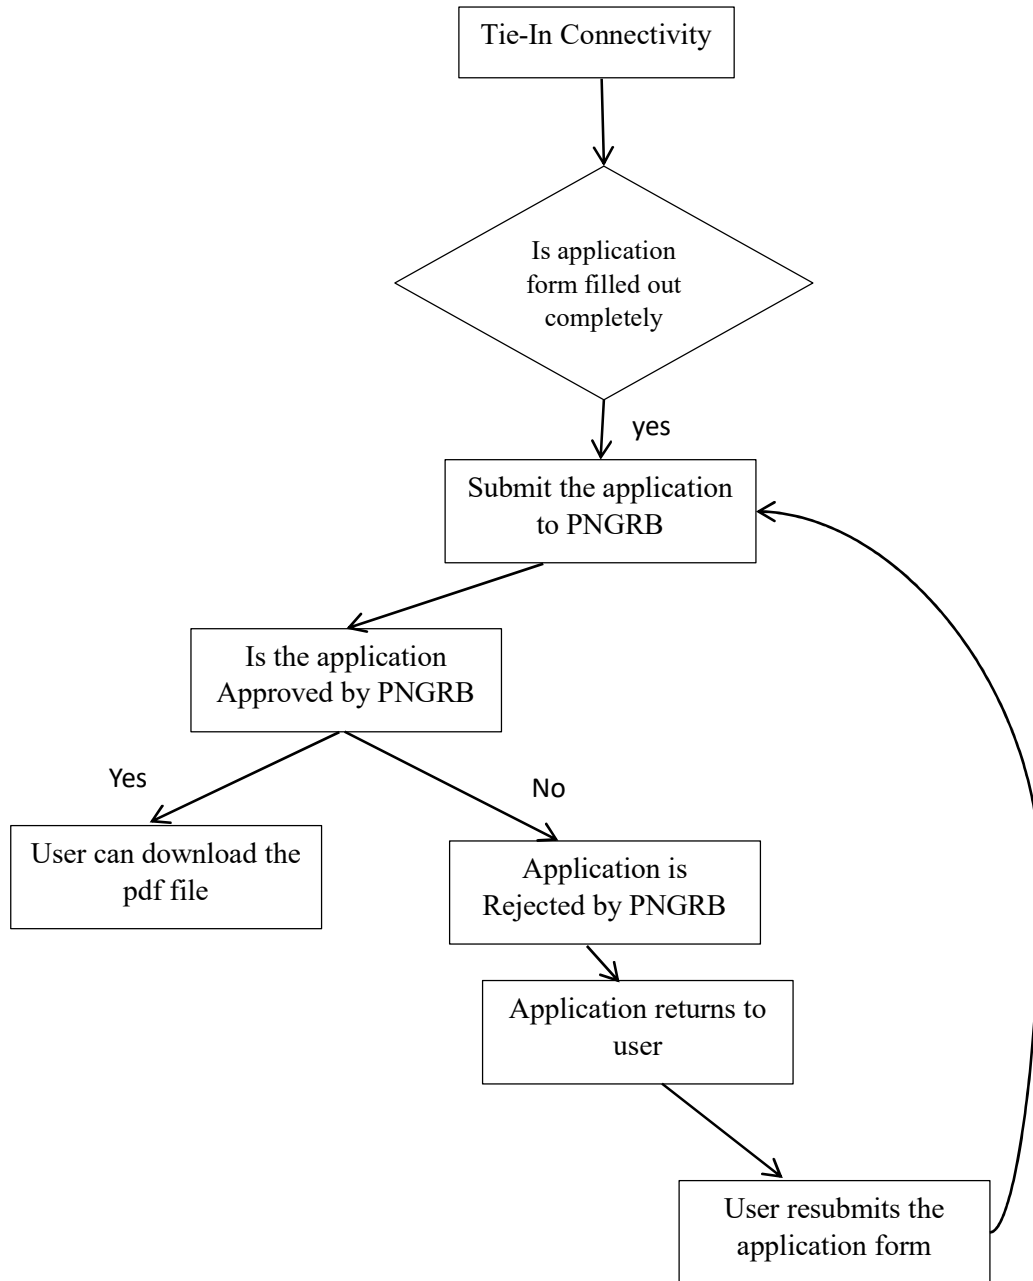

Designation: [Text Field] Contact Mobile: [Text Field] Contact E-mail Id: [Text Field]

Address: [Text Area]

- In Tie-in Connectivity page under Annexure user have to upload PDF files for Proof of Application Fees, Detailed Feasibility Report, Potential demand of petroleum product en-route the Tie-in Connectivity, Indicative route of the proposed Tie-in Connectivity indicating the likely product sources / injection points and delivery point depicted on a physical map as well as a KML/KMZ file (PDF and KML/KMZ).

| ◆ ANNEXURES :   |              |                |                |

| 4     | SPR/PPPL/00008 | Krishna Enterprize | Corporation   | 14-10-2024         | 08-10-2024        | 435.00     | 14-10-2024 | Approved    | Show Remarks |        |
| 5     | SPR/PPPL/00007 | Krishna Enterprize | Corporation   | 14-10-2024         | 07-10-2024        | 43.00      | 14-10-2024 | Resubmitted | Show Remarks |        |

- On the Laying of Spur-Line page under General Details, the user must select the Entity Name and Type of Firm.

**GENERAL DETAILS:**

|                                  |   |                                  |  |
|----------------------------------|---|----------------------------------|--|
| Name of the entity               | <input type="text" value="Select One"/> | Type of firm                     | <input type="text" value="Select FirmType"/> |
| Date of Commencement of business | <input type="text"/>                    | Address of the registered office | <input type="text"/>                         |

- The "Name of Entity" dropdown will display only the entity names assigned to the specific user.

**GENERAL DETAILS:**

|                                  |  |
|----------------------------------|--|
| Name of the entity               | <input type="text" value="Select One"/> <ul style="list-style-type: none"> <li style="background-color: #e0e0e0; padding: 2px;">Select One</li> <li style="background-color: #007bff; color: white; padding: 2px;">Select One</li> <li style="padding: 2px;">Krishna Enterprize</li> </ul> |
| Date of Commencement of business | <input type="text"/>   |

- The "Type of Firm" dropdown will display all available firm types.

The screenshot shows a form with a dropdown menu for "Type of firm". The dropdown is open, displaying the following options: "Select FirmType", "Sole Proprietorship", "Partnership", "Corporation", "Cooperative", "Nonprofit Organization", "Joint Venture", and "Public Sector (Government) Entity". The "Public Sector (Government) Entity" option is currently selected and highlighted in blue.

- In Laying of Spur-Line page under Fee Details user have to Fill Amount ,DD No. / UTR No.,Date and Issuing Bank Details.

The screenshot shows the "FEE DETAILS" section of a form. It contains four input fields: "Amount" (with a value of 0), "DD No. / UTR No.", "Date", and "Issuing Bank Details".

- In Laying of Spur-Line page under Basic Data user have to fill Point of origin, Termination Point, Indicative route of the proposed Spur-Line and Specification such as Length in km , Diameter in Inches, Capacity in MMTPA , Name of Nearest Common Carrier Pipeline from which spur line will emanate, Name of the section (Trunk-line or Spur line) from which spur line will emanate, Nearest point on surface of trunk line, Distance from the nearest point of trunk line and originating point of spur line, Details of potential customers and Details consumption of each customers (MMBTU).

The screenshot shows the "BASIC DATA" section of a form. It includes the following fields: "Point of origin", "Termination Point", "Indicative route of the proposed spur line (PDF)" (with "Choose Files" and "No file chosen" buttons), "Specification of Spur-line -" (with sub-fields for "Length (km)", "Diameter (inch)", and "Capacity (MMTPA)"), "Name of Common Carrier Pipeline from which spurline will emanate", "Name of the section (Trunkline or Spur line) from which spur line will emanate", "Nearest point on surface of trunk line", "Distance from the nearest point of trunk line and originating point of spur line", "Details of potential customers", and "Details of consumption of each customer (MMBTU)".

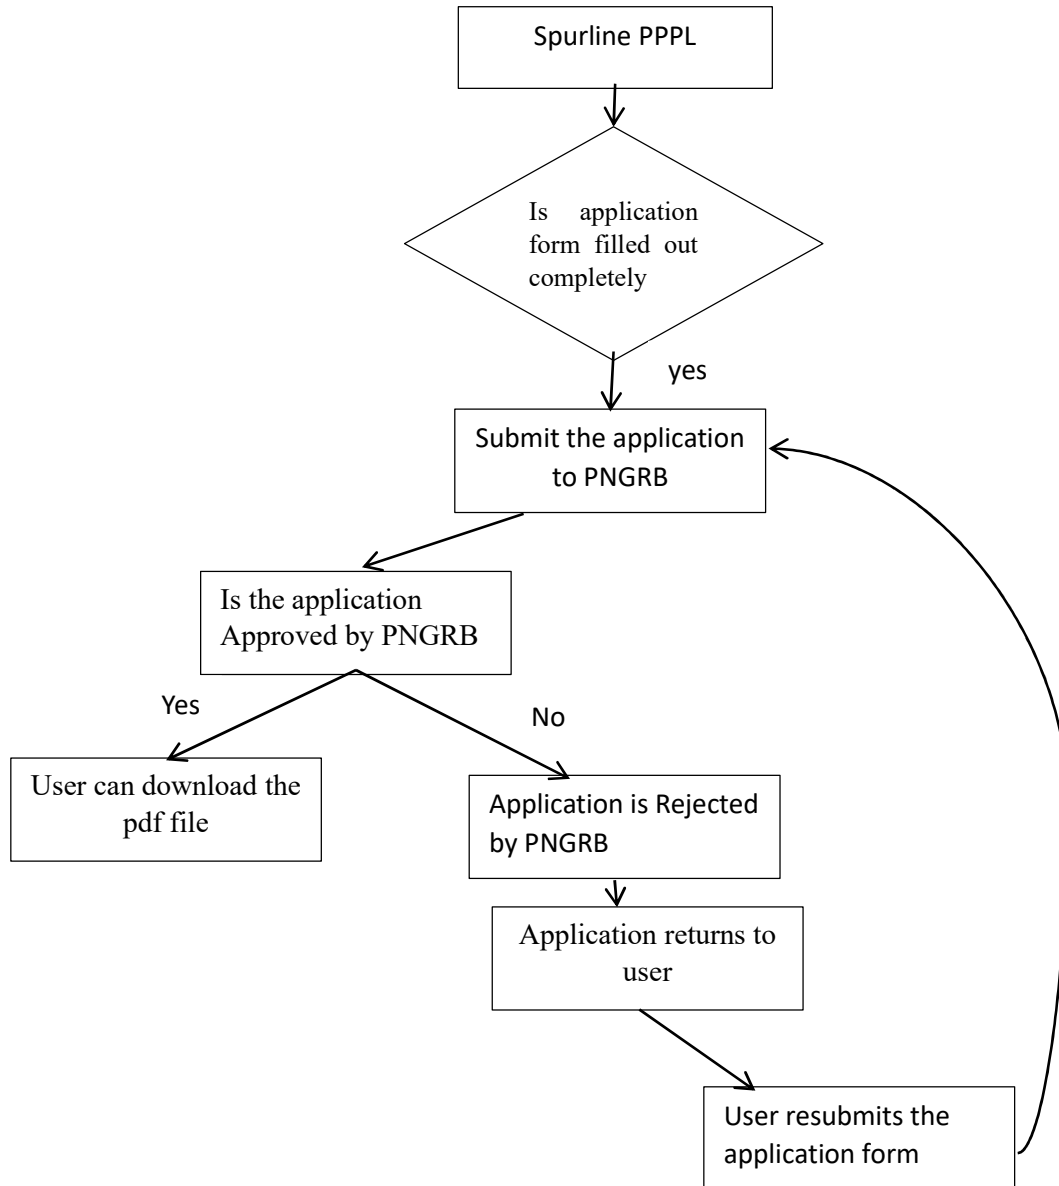

- In Laying of Spur-Line page under Others tab user have to select Date of filling form, Place, Name of authorized signatory, Designation, Contact Mobile, Contact E-mail Id and Address.

The screenshot shows the "OTHERS" section of a form. It contains seven input fields: "Date of filling form", "Place", "Name of authorised signatory", "Designation", "Contact Mobile", "Contact E-mail Id", and "Address".

- In Laying of Spur-Line page under Annexure user have to upload PDF files for Proof of Application Fees, Detailed Feasibility Report, Potential demand of petroleum products en route and Details of customer(s) to be served (PDF), Indicative route of the proposed spur line on a physical map and KML/KMZ (PDF and KML/KMZ)

| ANNEXURES :  |              |                |                 |

- On the Extension page under General Details, the user must select the Entity Name and Type of Firm.

| GENERAL DETAILS:                   |            |                                  |                 |
|------------------------------------|------------|----------------------------------|-----------------|
| Name of the entity *               | Select One | Type of firm *                   | Select FirmType |
| Date of Commencement of business * |            | Address of the registered office |                 |

- The "Name of Entity" dropdown will display only the entity names assigned to the specific user.

| GENERAL DETAILS:                 |                                  |
|----------------------------------|----------------------------------|
| Name of the entity               | Select One                       |
| Date of Commencement of business | Select One<br>Krishna Enterprize |

- The "Type of Firm" dropdown will display all available firm types.

- In the Authorization Requirement section of the Extension, if the proposed extension is within ten percent of the authorized natural gas pipeline's length (up to a maximum of 50 km) and 'No' is selected, the user will be unable to enter Basic Data. The field will be automatically disabled, preventing the user from applying under this regulation.

- In the Authorization Requirement section of the Extension, if the proposed extension is within ten percent of the authorized natural gas pipeline's length (up to a maximum of 50 km) and 'Yes' is selected, the user cannot enter Basic Data. However, the field will automatically be enabled, allowing the user to apply under this regulation.

- In Extension page under Basic Data user have to fill Name of Common Carrier Pipeline, Point of origin, Termination Point, Indicative route of the proposed extension along with all facilities (PDF) and Specification such as Length in km , Diameter in Inches, Capacity in MMBTU, Demand - Supply situation and Details of customers to be served.

| ◆ BASIC DATA:                       |                      |                   |                                   |   |
|-------------------------------------|----------------------|-------------------|-----------------------------------|---|

## DFD for Extension

## Expansion

This page displays a list of **Expansion** for laying, building, operating, or expanding Natural Gas Pipeline (NGPL) infrastructure. It allows users to track and manage their **Expansion** efficiently.

- **SL.NO:** Serial number of the record.
- **Code:** Unique Expansion reference number.
- **Entity:** Name of the entity submitting the Expansion.
- **Pipeline Name:** Type of pipeline (e.g., Corporation, Cooperative).
- **Incorporation Date:** The date on which the entity was incorporated.
- **Commencement Date:** The proposed start date of the project.
- **Fee Amount:** The amount paid for submitting the Expansion.
- **Fee Date:** The date when the **Expansion** fee was paid.
- **Status:** The current status of the authorization request (e.g., **Requested, Approved, Reject, Resubmit**).
- **Remarks:** A button labeled **"Show Remarks"** to view additional comments or feedback related to the Expansion.

| SL.NO | Code           | Entity             | Pipeline Name          | Incorporation Date | Commencement Date | Fee Amount | Fee Date   | Status      | Remarks      | Action |
|-------|----------------|--------------------|------------------------|--------------------|-------------------|------------|------------|-------------|--------------|--------|
| 1     | EXP/PPPL/00016 | Krishna Enterprize | Partnership            | 24-11-2024         | 25-11-2024        | 3000000.00 | 27-11-2024 | Resubmitted | Show Remarks |        |
| 2     | EXP/PPPL/00015 | Krishna Enterprize | Cooperative            | 25-11-2024         | 18-11-2024        | 4000000.00 | 27-11-2024 | Requested   | Show Remarks |        |

| 4     | EXP/PPPL/00013 | Krishna Enterprize | Nonprofit Organization | 04-11-2024         | 30-10-2024        | 4000000.00 | 06-11-2024 | Requested   | Show Remarks |        |
| 5     | EXP/PPPL/00012 | Krishna Enterprize | Nonprofit Organization | 29-10-2024         | 30-10-2024        | 4000000.00 | 30-10-2024 | Approved    | Show Remarks |        |

- On the Expansion page under General Details, the user must select the Entity Name and Type of Firm.

**GENERAL DETAILS:**

|                                  |   |                                  |  |
|----------------------------------|---|----------------------------------|--|
| Name of the entity               | <input type="text" value="Select One"/> | Type of firm                     | <input type="text" value="Select FirmType"/> |
| Date of Commencement of business | <input type="text"/>                    | Address of the registered office | <input type="text"/>                         |

- The "Name of Entity" dropdown will display only the entity names assigned to the specific user.

**GENERAL DETAILS:**

|                                  |  |
|----------------------------------|--|
| Name of the entity               | <input type="text" value="Select One"/>  |
| Date of Commencement of business | <input type="text" value="Select One"/><br><input type="text" value="Krishna Enterprize"/> |

- The "Type of Firm" dropdown will display all available firm types.

The screenshot shows a form with a dropdown menu for "Type of firm". The dropdown is open, displaying the following options: "Select FirmType", "Sole Proprietorship", "Partnership", "Corporation", "Cooperative", "Nonprofit Organization", "Joint Venture", and "Public Sector (Government) Entity". The "Public Sector (Government) Entity" option is highlighted in blue. Other form fields visible include "Address of the registered office" and "DD No. / UTR No.".

- In the Authorization Requirement section of Expansion user have to fill Name of Common Carrier Pipeline, Length of trunk line of Common Carrier Pipeline . Applicable fee will automatically filled on the basis of length filled.

The screenshot shows the "AUTHORIZATION REQUIREMENT" section. It contains three main fields: "Name of Common Carrier Pipeline" (empty), "Length of trunk line of above Common Carrier Pipeline" (0), and "Applicable Fee" (0). Below the length field, there is a legend: "< 500 Kilometers, applicable fee 30,00,000" and "> 500 Kilometers, applicable fee 40,00,000".

- In the Authorization Requirement section of Expansion if Length of trunk line of Common Carrier Pipeline is < 500 (less than 500) Kilometers then applicable fee is 30,00,000.

The screenshot shows the "AUTHORIZATION REQUIREMENT" and "FEE DETAILS" sections. In the "AUTHORIZATION REQUIREMENT" section, "Length of trunk line of above Common Carrier Pipeline" is 449, and "Applicable Fee" is 3000000. The legend indicates that for lengths < 500 Kilometers, the fee is 30,00,000. The "FEE DETAILS" section shows "Amount" as 3000000, "DD No. / UTR No." (empty), and "Date" (empty). "Issuing Bank Details" is also empty.

- In the Authorization Requirement section of Expansion if Length of trunk line of Common Carrier Pipeline is > 500 (more than 500) Kilometers then applicable fee is 40,00,000.

The screenshot shows the "AUTHORIZATION REQUIREMENT" and "FEE DETAILS" sections. In the "AUTHORIZATION REQUIREMENT" section, "Length of trunk line of above Common Carrier Pipeline" is 501, and "Applicable Fee" is 4000000. The legend indicates that for lengths > 500 Kilometers, the fee is 40,00,000. The "FEE DETAILS" section shows "Amount" as 4000000, "DD No. / UTR No." (empty), and "Date" (empty). "Issuing Bank Details" is also empty.

- In Expansion page under Fee Details user have to Fill Amount ,DD No. / UTR No,Date and Issuing Bank Details.

| ◆ FEE DETAILS:       |                                |                  |                      |
|----------------------|--------------------------------|------------------|----------------------|
| Amount               | <input type="text" value="0"/> | DD No. / UTR No. | <input type="text"/> |
| Issuing Bank Details | <input type="text"/>           |                  |                      |
| Date                 | <input type="text"/>           |                  |                      |

- In Expansion page under Basic Data user have to fill Name of Common Carrier Pipeline,Indicative route of the proposed petroleum and petroleum products pipeline indicating the likely petroleum product injection points and likely delivery points depicted on a physical map and Specification such as Proposed Sections (km), Point of origin, Termination Point, Diameter in Inches,Proposed Capacity Expansion (MMBTU),Petroleum Product availability position,Demand - Supply situation (PDF),Details of customers to be served and Assessment of total product volume for transportation.

| ◆ BASIC DATA:   |   |   |   |
|---|---|---|---|
| Name of Common Carrier Pipeline                       | <input type="text"/>  | Indicative route of the proposed petroleum and petroleum products pipeline indicating the likely petroleum product injection points and likely delivery points depicted on a physical map | <input type="text"/>                    |
| <b>Specification of Expansion -</b>                   |   |   |   |
| Proposed Sections (km)                                | <input type="text"/>  | Point of origin   | Termination Point                       |
| Diameter (inch)                                       | <input type="text"/>  | Proposed Capacity Expansion (MMBTU)   | Petroleum Product availability position |
| Demand - Supply situation (PDF)                       | <input type="button" value="Choose Files"/> <input type="text" value="No file chosen"/> <input type="button" value="Upload"/> | Details of customers to be served   | <input type="text"/>                    |
| Assessment of total product volume for transportation | <input type="text"/>  |   |   |

- In Expansion page under Others tab user have to select Date of filling form, Place,Name of authorized signatory,Designation,Contact Mobile,Contact E-mail Id and Address.

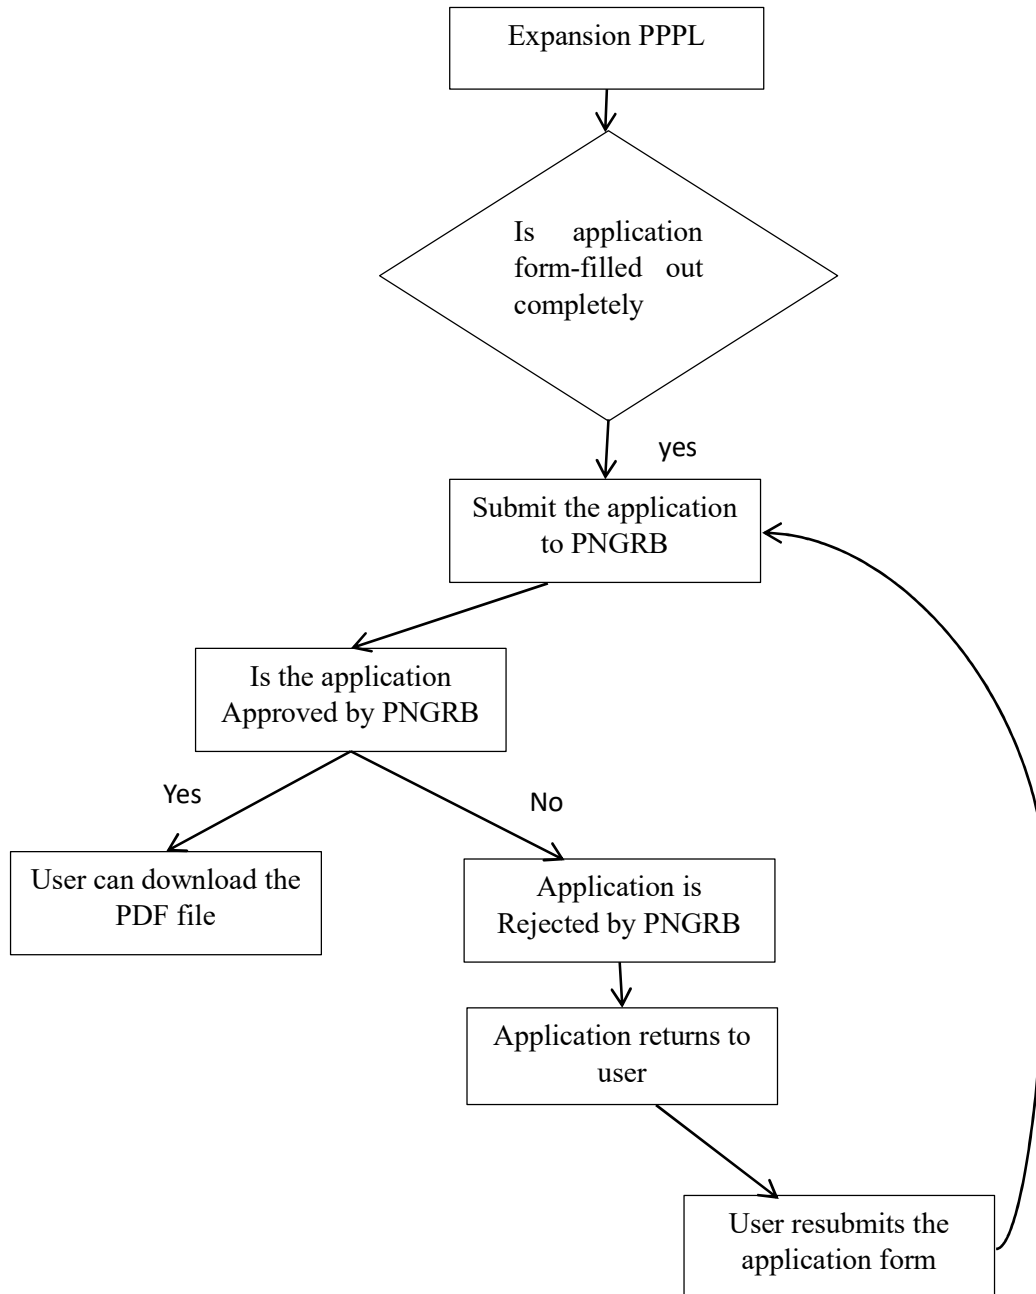

| ◆ OTHERS:            |                      |                |                              |
|----------------------|----------------------|----------------|------------------------------|
| Date of filling form | <input type="text"/> | Place          | Name of authorised signatory |
| Designation          | <input type="text"/> | Contact Mobile | Contact E-mail Id            |
| Address              | <input type="text"/> |                |                              |

- On the Expansion page under Annexure, users must upload PDF files for the following documents:
  - Proof of Application Fees
  - Detailed Feasibility Report
  - Potential demand of petroleum product en route the pipeline
  - Details of customers to be served
  - Indicative route of the proposed expansion indicating the likely petroleum product injection points and likely delivery points depicted on a physical map and in KML/KMZ file format (PDF and KML/KMZ).

## DFD for Expansion

## Expression Of Interest

This page displays a list of **Expression Of Interest (EOI)** for laying, building, operating, or expanding Natural Gas Pipeline (NGPL) infrastructure. It allows users to track and manage their **EOI** efficiently.

- **SL.NO:** Serial number of the record.
- **Code:** Unique EOI reference number.
- **Entity:** Name of the entity submitting the EOI.
- **Pipeline Name:** Type of pipeline (e.g., Corporation, Cooperative).
- **Incorporation Date:** The date on which the entity was incorporated.
- **Commencement Date:** The proposed start date of the project.
- **Fee Amount:** The amount paid for submitting the EOI.
- **Fee Date:** The date when the **EOI** fee was paid.
- **Status:** The current status of the authorization request (e.g., **Requested, Approved, Reject, Resubmit**).
- **Remarks:** A button labeled "**Show Remarks**" to view additional comments or feedback related to the EOI.

## DFD for Expression Of Interest

## Access Code Regulation

The **Access Code Regulations List** interface provides a structured view of access code records related to pipeline regulations. Displays a list of access codes with key details in the following columns:

1. **SL.NO:** Serial number of the entry.
2. **Code:** Unique identifier for the access code.
3. **Entity:** Name of the associated company or organization.
4. **Firm Type:** The legal classification of the firm (e.g., Corporation, Cooperative, Joint Venture).
5. **Incorporation Date:** Date when the firm was legally established.
6. **Commencement Date:** The operational start date of the entity.
7. **Pipeline Name:** Name of the pipeline related to the access code.
8. **Status:** Indicates the request's current state (Resubmitted, Requested, Approved) with color-coded tags.
9. **Remarks:** Button to view additional comments related to the access code.
10. **Action:** Edit or view the entry.

- The "Type of Firm" dropdown will display all available firm types.

- In the Authorization Details section of Access Code Regulation user have to Fill Details of Authorization, Authorized Under Regulation and Date of Authorization.

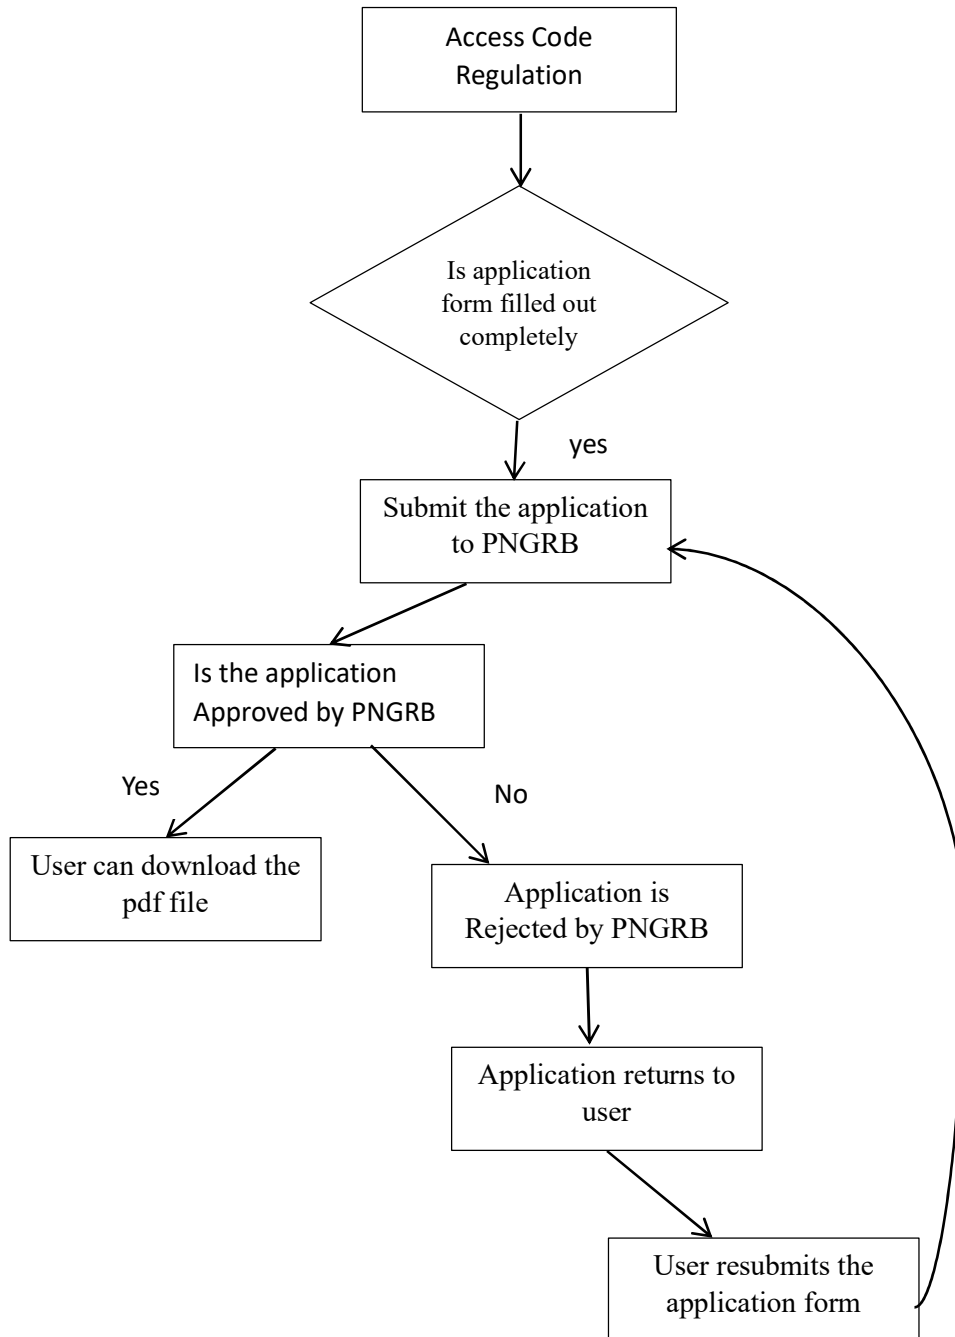

- On the Access Code Regulation page under **Basic Data**, users must provide section-wise details of the pipeline capacity for each section separately. The required details include:
  - **Number of Sections**
  - **Capacity approved by PNGRB**
    - Total Including Common carrier (MMT)
    - Common Carrier (MMT)
  - **Break up of capacity for period..... (MMT)**
    - Own Requirement
    - Firmed-up contracted capacity with other entities for a period of at least one year
    - Common Carrier Capacity with other entities for a period of less than one year
  - Number of entry points on the pipeline route
  - Location of entry points
  - Number of exit points
  - Location of exit points

Additionally, users must furnish the following **Technical Parameters**:

- **Inlet Pressure** at the entry point
- **Grade band** at entry point
- **Temperature**
- **Other Elements** as per Schedule - II
- **Any demand pending with the transporter for common carrier usage of the pipeline along with duration of such dependency**
- **Preference on Entry and Exit Points**

## DFD For Access Code Regulation

# CGD : City Gas Distribution

## Authorization Transfer

The **CGD Transfer of Authorization List** interface provides a structured view of all authorization transfers related to City Gas Distribution (CGD). This system helps users manage, track, and review the authorization transfer process, including entity details, GA (Geographical Area) information, transferee entity, and application type.

The table displays key details for each CGD authorization transfer:

1. **SL.NO:** Serial number of the entry.
2. **Code:** Unique transfer authorization code (e.g., TOA/CGD/00060).
3. **Entity:** Name of the original entity transferring authorization.
4. **GA ID:** Geographical Area Identifier.
5. **GA Name:** Name of the geographical area.
6. **Transferee Entity:** The entity receiving the authorization.
7. **Application Type:** The type of transfer request (e.g., JV formation, Pre-PNGRB, transfer after five years, etc.).
8. **Date of Authorization:** The date when the transfer was approved.
9. **Fee Amount:** The associated fee for the transfer process.
10. **Status:** Indicates the request's current state (Resubmitted, Requested, Approved) with color-coded tags.
11. **Remarks:** A button labeled "**Show Remarks**" to view additional comments.
12. **Action:** An edit/view icon for modifying or reviewing entries.
